For it to be a thick potholder you need a tight tension. If yours is loose you will want to go down a hook size.

Approx. 7.25 in x 7.25 in (18.41 cm x 18.41 cm)

Chain 36

Row 1: In 2nd chain from the hook, **sc** in each chain until the end. Add 1 extra **sc** in the last chain. Continue around **sc** in each chain on the opposite side. Add one extra **sc** at the last **sc**.

Continue around in a continuous round until the two side meet and it forms a square. 20 rows total.

Then at the corner where the 2 sides meet chain 20. Attach to the start of the chain with a slip stitch. Slip stitch through both single crochet stitches long the two edges until you have closed up the seam. Cut and tie off. Weave in the ends using a tapestry needle.
