This easy crochet scarf pattern is sized for a young child. You can make a longer or shorter scarf using a multiple of 3 + 1 for the chain. Turning chain counts as first stitch of the row.

Wondering how long to make a scarf? The rule of thumb is to make it as long as they are tall, but it really depends on your preference.

Chain 19

Row 1: (*hdc, ch 1, hdc*) in 3rd *ch* from hook. *Skip 2 *chs*, (*hdc, ch 1, hdc*) in next. Repeat from * across until 2 *chs* remain. Skip 1 *ch*. *hdc* in last. Chain 2 and turn.

Row 2: (*hdc, ch 1, hdc*) in each *ch* 1 space across. *Hdc* in last stitch. Chain 2 and turn.

Repeat Row 2 until you have the 99 rows, 44 in, or the length you want. My yarn started with a short part of purple so I ended with the same amount of rows of purple on the opposite side.

For an adult size scarf crochet 140 rows. You will probably need another skein of yarn.

Tie and cut ends. Weave in all yarn ends. Enjoy your easy v stitch crochet scarf.
