ch 74

Row 1: In the 2nd chain from your hook, ***sc*** and in each chain across. Chain 1 and turn.

Row 2: *Skip two ***sts***, work 5 ***dc*** into the next chain space. Skip two chains again, one ***sc.*** into the next chain. Repeat the instructions from the * to the end. Your last stitch will be a ***sc.*** into the final chain. Chain 3 and turn.

Row 3: In the top of the ***sc.*** you made from the row below, work 2 ***dc.*** (You just created a half shell) now look for the middle ***dc*** of the shell (the 3rd ***dc***) and ***sc.*** Skip over the next 2 ***dc***, find the ***sc.*** of the row below and work 5 ***dc.*** Continue across working a ***sc.*** into the third ***dc***, and a “shell” into the ***sc.*** Your last stitch will be a half shell (3 ***dc***). Chain 1 and turn.

Row 4: 1 ***sc*** into the very next stitch, the last ***dc*** you made on the row below. Skip over the 2 ***dc*** and work 5 ***dc*** into the ***sc.*** End this row with a ***sc*** into the last stitch, chain 3 and turn.

Repeat Row 2-3 until you have 44 rows. Then, chain 1 and single crochet in each ***st*** across.

The color changes after every row after Row 2.

Knot, cut yarn and weave in ends with a tapestry needle.

Faux Fur Border

On one end, pull a loop and single crochet. Single crochet in each st. across. Do two sts each side of the corner. Single crochet down the sides evenly, adding an extra 2 single crochets in the st. on either side of the corner.

Down the sides, I did 2 stitches for each row that starts with a double crochet and 1 for each row that starts with a single crochet.

Round 2: sc in each st around. 2 sc in each stitch on either side of the corners.

Round 3-4: Repeat Round 2.

Knot, cut yarn and weave in ends with a tapestry needle.
