Chain 57

**Row 1:** sc in the 2nd chain from the hook and across. Chain 3 and turn.

**Row 2:** In the 2nd chain from the hook, pull up a loop. In the 1st chain 1 from the turning chain from the row below, insert the hook and pull up a loop. Then insert your hook into the 2nd stitch from the row below. Pull up a loop. Then pull through all 4 loops on your hook. \*Chain 1. In the chain 1 space you just made, insert the hook and pull up a loop. In the last chain that was worked (from the hook where you pulled up your 4th loop), insert the hook and pull up a loop. Two chains over (in the seven chain from the hook), pull up a loop. Yarn over and pull through all 4 loops. Repeat \* until you reach the end of the row. Chain 2 more for a total of 3 chains and turn.

Repeat Row 2 until you have 6 rows of Row 2 (22 in) or the width you want. Finish with one row of single crochet.

Put the two ends together and fold into a S shape then sewing through the folds back and forth. Cut and weave in ends. Turn right side out.
