You can make a larger or smaller scarf by using an even number for the chain.

I rolled the different colors of yarn into separate balls before I started.

Approx. size of children's scarf: 4.5 in x 43 in (11 cm x 109 cm)

Chain 20

Row 1: 3rd chain from the hook, work one **hdc**, repeat to the end. Chain 1 turn.

Row 2: Skip the 1st, and work the spider: **sc**, one **ch**, one **sc**(all in the same stitch), then skip one stitch. Continue across the whole row(spider then skip one chain). You should have one extra chain at the end. Work a **sc** into that stitch. **ch** 1 and turn.

ROW 3: Skip over the first two stitches and find that **ch** space. You'll want to work your **sc–ch–sc** (spider) into that stitch. Continue across the row, putting one **sc–ch–sc** (spider) into chain space repeat until the last stitch. The last stitch will be **sc**. Chain 1, turn.

Repeat Row 3 until you have 142 rows or use all the yarn stopping on a completed row. I finished with another row of half double crochet (chain 2 before this row.) Cut yarn weave in ends.
