Before you start you might want to put your pony tail holders around a glass or can to make them more circular.

You can make as many single crochet stitches around the pony tail holder. The more you do the more ruffled of an edge you will have. I did 35 for the Beachhouse one and 38 for the Mistletoe one.

Round 1: 35 sc around the pony tail holder. sl st to the 1st sc. Chain 3.

Round 2: dc in each sc around. sl st to the 1st dc. Chain 1.

Round 3: sc, ch 1, sc in each st around. sl st to 1st sc.

Cut yarn and know. Weave in ends.

To finish, you can tie a bow using some yarn. Decide on the top of your wreath and cut a loop of yarn to thread through and tie a knot.

Your ornament is finished and ready to give as a gift or hung on the Christmas tree. You could make these easy wreaths in any color to go with your Christmas Décor.

You could use these colorful wreaths as coasters too. It would add some Christmas color to your house.
