To make the blanket larger or smaller use a multiple of 5 plus 3 for the chain. The turning chain counts as the first double crochet.

Approx. size of baby blanket: 32 in x 32 in (81 cm)

Gauge: 5 dc x 4 rows = 3 in x 3 in (7.6 cm)

Chain 63

Row 1: **Dc** in the 4th chain from the hook. **Dc** in the next chain and to the end of the row. Chain 3 and turn.

Row 2: Turning chain counts as first dc. **Dc** in the 2nd stitch and the following 3 stitches, ***fpdc** in the next stitch. **Dc** in the next 4 stitches*. Repeat** until the end of the row. Your last stitch will be a **dc**. (for 5 **dc** in a row) Chain 3 and turn.

Row 3: Turning chain counts as first dc. **Dc** in the 2nd stitch and the following 3 stitches, ***bpdc** in the next stitch. **Dc** in the next 4 stitches*. Repeat** until the end of the row. Your last stitch will be a **dc**. (for 5 **dc** in a row) Chain 3 and turn.

Repeat row 2-3 until you have 32 rows or you run out of yarn ending on a complete row of the same color. Cut ends and weave in ends.

I have found the first and last colors of the cake tend to be short. If you want a complete row of color you will want to check your yarn before you start. I, also, look at which color comes next when I attach the 2nd color to make it blend well.
