Pattern Tips

- You can make a larger or smaller a blanket by using an even number for the chain. I started the pattern with 1 row of single crochet.
- You place the single & double crochet in the single crochet from the row before for the entire pattern.
- Make sure your chain is no tight. Either crochet loosely or use 1 size larger hook.
- Make sure to keep he single crochet tight.
- You will crochet over the color you are not using and carry it, alternating each row.

Chain 220 (this is the length)

Row 1: in the 2nd *st* from the hook, *sc* and in each *st* across. *Ch* 1 and turn.

Row 2: *dc* in 1st *st*. *skip *st* (*sc*, *dc*) in *st*.* repeat from ** to the end of the row. Chain 1 and turn.

Row 3: *dc* in the 1st stitch * (*sc*, *dc*) in *sc* of the row below, repeat from * to the end of the row. Chain 1 and turn.

Final row of the suzette stitch, do two single crochets in the last stitch.

Repeat Row 3 until you have 104 rows or the length you want.

Knot and weave in ends using a tapestry needle. Cut off excess yarn. Block if you want. Enjoy
